Dear s22

I am writing regarding your Freedom of Information request to the Department on 27 October 2021.

You have requested an email, letter or other document which states the date on which the desktop publishing file for Australia's Long Term Emissions Reduction Plan (the Plan) was provided to a printing contractor for printing. Your request covers the period 1 August 2021 to 26 October 2021.

I can confirm that the Plan was not provided by the Department to any printing contractor during this period.

I can further confirm that the date on which the Plan was provided by the Department to a printing contractor was 27 October 2021.

Yours Sincerely
