Hi s22

As discussed, see below a line which s22 has cleared that you can use about funding. s47C

\\

The Australian Government has committed \$108.6 million to the Australian Space Agency over four years from 2023-24, as well as an additional \$117.7 million in support for industry through various space programs.

Thanks s22

On budget, the question went specifically to what the total funding for the Space Agency is. s47C
