I think Ive completed as asked - but please let me know.

I trust the definition of "inside/outside" AC hours is between 9am and 5pm which equates to 40 hour week.

Ive updated the table based on the last 6 months averages. Ive added other comments in RED to reflect changes.

Hi s47F(1))

We have been asked by our Program Delegate to further clarify the time commitments required for the cohort's extra-curricular activities.

Please provide the approximate time commitment for each activity below. If appropriate, including a break-down of hours inside and outside AC hours.

Please Note: We require a numerical estimate, not vague terminology such as "irregular" or "ad-hoc".

We'd appreciate it if you would complete this as a matter of urgency and return it by **CO T a 16**
