Hi ^{s 22(1)(a)(ii)}

s 47E(d)

The following is our advice from our Legal Branch on responding to questions about the advice at estimates:

If asked about the status of the application

- The National Electronic Approvals Tracking System (NEATS) accurately reflects the current status of the applications – which is currently that they are with the Joint Authority for decision.

If asked about NOPTA's assessment/recommendation to the Joint Authority

- As the material relates to decisions that are currently before the Joint Authority it would be inappropriate to comment on its contents.
- If pushed for more details take the question on notice.

I hope that helps.

Norelle

Thanks, Norelle – sorry I got it muddled. Did NOPTA publish their advice?

Cheers,
