Hi s22

Thank you! As I mentioned, I do think it just won't be possible given BE and sitting week, but the Minister will want to know about it.

s22

Can you flag this invitation with the Minister, in case he's keen to/able to make it work somehow (noting he'll be in Canberra most of that week). He will enjoy a Q&A with Mel Perkins, I think.

If he is by some timetabling miracle available to do it, as s22 is Sydney based and responsible for startups/commercialisation she will likely attend too.

Subject: Minister Husic at Sunrise

Hey s22

Great to chat to you just now re our hopes for having the Minister join us for Sunrise. It sounds like budget estimates and it being a sitting week could foil our best hopes, but sharing below the initial thoughts we had in case some miracle strikes.

What is [Sunrise](#)?

It's our annual conference for founders and the wider tech ecosystem. It'll be run over two days - Thurs 10th-Fri 11th November at Carriageworks in Sydney. We're selling 1500 tickets per day, and we aim to make the experience more engaging and mind-expanding than your average tech conference.

Initial thoughts for the Minister

That he joins Mel Perkins (CEO and cofounder of Canva) as part of the keynote in the morning of Thursday 10th (exact time tbc). We're toying with a Q&A which could go either direction (the Minister interviewing her, or the reverse).

We'd love to find a way of including Minister Husic in the event, so if that slot doesn't work for him but you think he'd have flexibility on the Friday, happy to be a bit creative.

It goes without saying that we'd love you and ^{s22} to join us too.

Warm regards
