FLYING WHALES - Opportuni...  
2 MB

<b>Meeting time</b>	Monday, 27 November   7pm for a 7:30pm start
<b>Attendees</b>	Minister Husic Christopher Pyne s22 s22
<b>Staffing</b>	s22
<b>Purpose</b>	<p>FLYING WHALES is a French founded company that offers low-emissions transport solution for the heavy lift and outsize cargo market. Their blimp-like LCA60T vehicle can secure a 60-tonne payload while hovering in stationary flight and has applications to the energy, forestry, construction, industrial and disaster response sectors.</p> <p>FLYING WHALES has secured funding and partnership from French and Canadian Governments as well as a consortium of leading aeronautical partners and intends to expand into the Australian market, with support from the public and private sectors in Australia.</p> <p>Following discussions with the Victorian Government, their executive team wish to partner with the Commonwealth Government, which is the reason for their visit to Australia from 27 November to 1 December. A partnership with the Commonwealth Government would ensure they establish themselves in Australia as an Asian-Pacific regional base, ensuring sovereign manufacturing of their LCA60T vehicle and a sovereign operation base.</p> <p>On that note s22 would like to invite you or one of your advisers to dinner on Monday 27 November. The dinner will also be attended by Christopher Pyne, s22 - alongside your Ministerial colleagues or advisers. See details below for your ease:</p>
