Dear Ms Denholm

A handwritten signature in blue ink that reads 'Robyn'.

It is my pleasure to appoint you to serve as the Chair of the Strategic Examination of Research and Development independent expert panel (the Examination panel), for a time-limited term ending 31 December 2025.

The Examination panel has responsibility for undertaking an evidenced-based assessment of how Australia can strengthen its overall research and development (R&D) competitiveness into the future and deliver advice to government by the end of 2025.

Your global industry experience, deep awareness of emerging technological opportunities and demonstrated skill as a Board Chair will be invaluable to this landmark review. Working closely with the other Examination expert panel members, I am confident you will deliver a robust action plan to secure Australia's future prosperity by strengthening our R&D system.

Mr Dom English, Head of the Secretariat for the Strategic Examination of R&D in my department will contact you to finalise the administrative details of the appointment via a Letter of Offer. Your appointment will begin once these details have been settled through my department's receipt of the completed, signed Letter of Offer documents. Mr English can be contacted at [Dom.English@industry.gov.au](mailto:Dom.English@industry.gov.au) or phone s22

Once again, congratulations on your appointment.

A handwritten signature in blue ink that reads 'Ed'.
