Dear ADC hereby ask you to re-evaluate our position as exporters in Australia.

We were already evaluated by your esteemed commission but with negative results because in the period of investigation that we have indicated 01/04/2013 to 31/03/2014 were not producers.

Since July 2014 we have become producers (then we can compile the entire questionnaire including the module of production costs) we ask you to re-evaluate our position for the period of investigation from 01/10/2013 to 30/09/2014 for the products under investigation that we currently produce: peeled tomatoes, chopped and crushed in tin 400 g.

We look forward to your kind reply to start filling the full questionnaire for the period from 01/10/2013 to 30/09/2014 and as always we have confidence in your esteemed commission.
