

THE HON JASON CLARE MP

Minister for Home Affairs
Minister for Justice

Ministerial No: 107984

15 JUL 2013

Ms Kim Farrant
Acting Anti-Dumping Commissioner
Anti-Dumping Commission
5 Constitution Avenue
CANBERRA ACT 2600

Dear Ms Farrant

Kim

I understand you have taken a decision to inquire into whether the anti-dumping measures applying to processed dried currants (currants) exported to Australia from Greece should continue for a further five years.

I also understand that one of the variable factors relevant to the taking of the anti-dumping measures may have changed since measures were originally imposed in January 2009.

I consider that it may be appropriate to review those measures as they affect exporters of currants from Greece because one or more of the variable factors relevant to the taking of the measures in relation to those exporters may have changed.

I therefore request that you initiate a review of the measures applying to currants exported from Greece under Division 5 of Part XVB of the *Customs Act 1901*.

Yours sincerely

Jason Clare
