Dear Sir,

This is to confirm that SPCA Ardmona as the applicant for anti-dumping duties on preserved and prepared tomatoes does not object to a request by exporters of the said products for an extension of time to provide responses to the anti-dumping questionnaire until 30th September 2013.

However, this is subject to the condition that the extension does not lead to any delay in the deadline for a decision on Preliminary Affirmative Determination for the above products and to the application of any relevant securities.

Yours sincerely,
