# ADDENDUM

## Statement of Essential Facts No. 350 and Preliminary Affirmative Determination

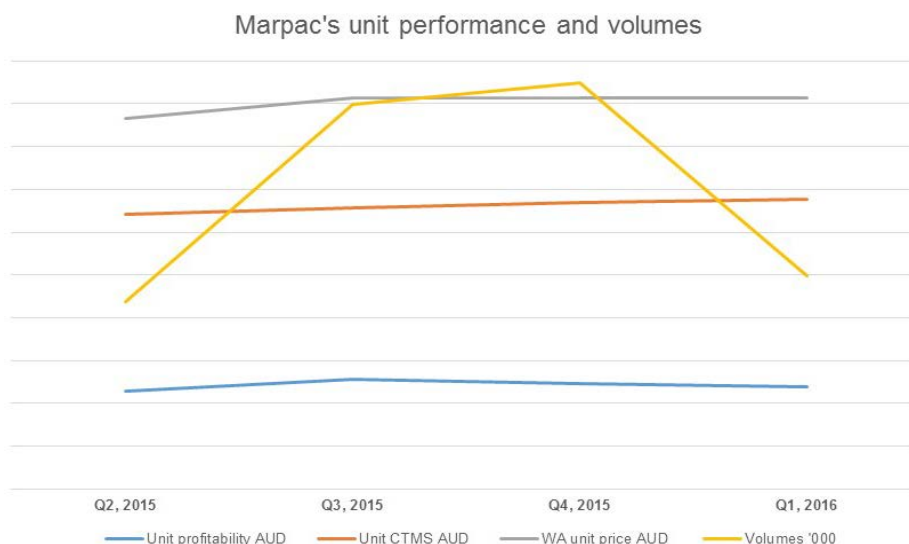

Alleged dumping of resealable can end closures exported from the Republic of India, Malaysia, the Republic of the Philippines and the Republic of Singapore

18 October 2016

On 5 October 2016 the Commissioner of the Anti-Dumping Commission published *Statement of Essential Facts No. 350*<sup>1</sup> (SEF 350) in relation to the alleged dumping of resealable can end closures exported from the Republic of India, Malaysia, the Republic of the Philippines and the Republic of Singapore.

Subsequent to publication, the Anti-Dumping Commission (the Commission) received an enquiry in relation to Figure 5: Marpac’s unit performance over the investigation period.<sup>2</sup>

The Commission has reviewed the figure and notes an update to that figure as below. Figure 5 is now consistent with Figure 2 in SEF 350 and the Commission notes that the change does not affect the Commission’s analysis or findings in SEF 350.
