Chris Vincent	Manager, Operations 1
Chris Harrison	Supervisor, Operations 1

SEEC sought a meeting with the Commission to discuss the following topics:

- Deductive export price.
  - Deduction of warranty claim expenses that are unrelated to, and do not affect, price.
  - Reimbursements by SEEC to SeA.
  - Deduction of notional profit margin for SeA.
- Normal Value
  - Profit margin on SEEC's domestic sales used to construct the normal value.

A non-confidential of SEEC's submission discussed at this meeting is on the public record.

SEEC stated it would provide a further submission on the issues discussed.
