

File note

Case 501 – Solid base angles (lintels) from China

18 December 2018

PRESENT:

Representatives from Nepean Building and Infrastructure/Galintel Pty Ltd

Anti-Dumping Commission:

Justin Wickes, Director, Investigations 2

Sangeeta D'souza, Case Manager, Investigations 2

Muhammad Bahar, Investigator, Investigations 2

Staff from the Anti-Dumping Commission (Commission) met with representatives of Galintel Pty Ltd (Galintel) at their Coffs Harbour production facility at 45 Wiranga Drive, Coffs Harbour.

Galintel's representatives provided Commission staff with an overview of:

- Galintel's business structure;
- Galintel's product range;
- the Australian market for lintels generally; and
- the Australian market for solid base angle.

Commission staff viewed the production process, and observed the characteristics of solid base angle.
