Dear Ms Fitzhenry

ADRP review - prepared or preserved tomatoes exported from Italy

I refer to your letter of 30 May 2014 that invites the Anti-Dumping Commission (the Commission) to comment on the applications for review of the decision by the Parliamentary Secretary to the Minister for Industry to publish a dumping duty notice in relation to prepared or preserved tomatoes exported from Italy.

The Commission appreciates the opportunity to comment on the applications.

In order to ensure the Commission's response is comprehensive and of greatest assistance to the ADRP, I request a short extension to your timeframe. The Commission expects that an appropriate response can be submitted by **20 June 2014**, which represents a 7 day extension.

Please confirm whether you approve this extension.

Yours sincerely
