Notice under section 269ZZM(1B)

**Ammonium Nitrate exported from the Russian Federation**

The Anti-Dumping Review Panel (Review Panel) has completed a review of a decision by the former Minister for Industry, Science and Technology made under subsection 269ZHG(1) of the *Customs Act 1901* (the Act) in respect of Ammonium Nitrate exported from the Russian Federation (the Reviewable Decision). The Reviewable Decision was published on the Anti-Dumping Commission (ADC) website on 23 May 2021 (ADN 2021/053).

On 11 November 2022, the Review Panel finalised its report to me in accordance with section 269ZZK(3)(b)(ii) of the Act. Previously, I extended the period of time to make my decision until 13 May 2024.

I consider that there are special circumstances that prevent me from making a decision under section 269ZZM(1) by 13 May 2024. Accordingly, I have decided under section 269ZZM(1A)(b) of the Act to extend the time for making my decision until 13 November 2024.

The Hon Ed Husic MP  
Minister for Industry and Science  
Dated 7 May 2024
