Dear Ms Fitzhenry

Quench & Tempered Steel Plate – Request for Comment

I refer to your letter of 22 December 2014 inviting the Anti-Dumping Commission (the Commission), to comment on four review applications received by the Anti-Dumping Review Panel in relation to the investigation into quench and tempered steel plate exported from Finland, Japan and Sweden.

You have requested comments from the Commission by 16 January 2015.

The Commission is unable to meet this deadline due to the current high case workload and I request an extension of time to 8 February 2015.

If you wish to discuss this request further, please contact either myself on ph: 03 9244 8061 or the Case Director, Ms Kerry Taylor on ph: 03 9244 8844.

Yours sincerely
