

Australian Jobs Act 2013

AIP Plan reference code:

Australian Industry Participation Plan Summary - Project Phase

Nominated project proponent: MIRVAC RETAIL SUB SPV PTY LIMITED

Project details

Name: Harbourside Redevelopment

Location: 2-10 Darling Drive, Sydney NSW 2000

Type: Other productive facility

Purpose: Establish new facility

Capital expenditure: \$ 845,000,000

Description: Harbourside is a new mixed use development, which comprises a retail and commercial podium, and residential tower. Mirvac Constructions Pty Limited has been engaged as the Head Contractor by Mirvac Retail Sub SPV Pty Limited, and will fulfil the project management role, including implementing relevant strategies for the procurement of goods and services on the project, as well as the responsibility for implementing and reporting against the approved AIP Plan. Upon completion, Mirvac Real Estate will be the operator. Mirvac Construction anticipate that procurement for major building elements and services will commence late in the fourth quarter of 2023 and/or early in the first quarter 2024, with critical structure, façade and service trades likely to be the first packages (construction start date during the second quarter of 2023). Mirvac Construction note that early lead in works, including demolition have been let prior to the aforementioned procurement periods, noting the criticality of the commencement. The Project Website, which houses the Procurement Opportunities page is currently live. The completion of construction is estimated for June 2027, with operations estimated to commence July 2027. All tenders already undertaken (hoardings and demolition) were only available to Australian Suppliers and were comprised of an expression of interest from the Mirvac database of capable Subcontractors & Subcontractors recommended by industry contacts. This was followed by 3 rounds of Competitive Tender Submissions. All actions will be undertaken by Mirvac Constructions, who is contractually required by Mirvac Retail Sub SPV Pty Limited, to comply with the AIP Plan.

Completion date: 30 May 2027

Key goods and services

Indicative list of key goods and services to be acquired for the project:

Key goods and services	Opportunities for Australian entities*	Opportunities for non-Australian entities	Explanation for no opportunities for Australian entities

Infrastructure and Landscaping	Yes	No	
Site Amenities, Hoardings, Scaffolding, Crane and Plant Hire	Yes	No	

* An Australian entity is an entity with an ABN or ACN

Project standards:

Australian

Supplier information and communication

Project proponent's contact person for supplier enquiries:

Contact person name Stephen Chamberlain
Contact person position Senior Project Manager
Phone number 0458748199
E-mail stephen.chamberlain@mirvac.com

Project proponent website: <https://harboursidecommunity.mirvac.com>

Project opportunities website: <https://harbourside.mirvac.com/tenders>

Supplier engagement and communication actions :

Promote project opportunities through industry associations
 Issue media releases or ASX announcements on project developments and opportunities
 Directly contact suppliers with information on project opportunities and bid processes
 Cascading Australian Supplier Commitments

Building Australian industry capability

Supplier capability development actions:

- Transfer new product and process technology to suppliers
- Support supplier development initiatives of industry associations or governments

Global supply chain integration actions:

- Provide references for high performing suppliers
- Partnerships with International Suppliers

Feedback process for unsuccessful bidders:

Mirvac Construction will offer written feedback to unsuccessful suppliers on the Project and where requested actively participate in providing feedback. The aim of such feedback is to provide insight to unsuccessful Australian suppliers so as to assist them in future opportunities. Mirvac will include in this feedback, details on key areas of improvement which may assist the unsuccessful supplier on future projects, as well as recommendations of relevant training, skills, capability and capacity development. Mirvac notes that where necessary, all feedback provided will protect the IP and confidentiality of other suppliers.
