Project standards:

- Australian
- International

Supplier information and communication

Project proponent's contact person for supplier enquiries:

Contact person name Andrew Emmett
Contact person position Purchasing Manager
Phone number 0364300222
E-mail purchasing@grangeresources.com.au

Project proponent website: www.grangeresources.com.au

Project opportunities website: www.grangeresources.com.au

Supplier engagement and communication actions :

- Conduct supplier information briefings on project opportunities and bid processes
- Issue media releases or ASX announcements on project developments and opportunities
- Develop and distribute a supplier information guide for the project
- Directly contact suppliers with information on project opportunities and bid processes

Building Australian industry capability

Supplier capability development actions:

- Recommend suppliers undertake training and/or accreditation
- Develop supplier scorecard for evaluation of tender bids

Global supply chain integration actions:

- Facilitate strategic partnering and joint ventures between Australian and international suppliers

Feedback process for unsuccessful bidders:

The project proponent, as the procurement entity, is committed to building local and Australian capabilities to service its operations. Pre-qualification guidelines will be provided when tenders are issued. Unsuccessful Australian tenderers will be offered verbal feedback at the conclusion of the tender process in line with evaluation criteria and will include recommendations for additional accreditation and/or training as needed.
