

Australian Jobs Act 2013

Australian Industry Participation Plan Summary - Project Phase

Nominated project proponent: VICKERY COAL PTY LTD

Project details

Name: Vickery Extension Project

Location: 25km's north of Gunnedah

Type: Mine or quarry

Purpose: Establish new facility

Capital expenditure: \$ 700,000,000

Description: The Vickery Extension Project would involve the development of a 10Mta open cut predominately metallurgical coal mine with associated Coal Handling & Preparation Plant (CHPP), train load out facility, rail spur and mine infrastructure. The main activities associated with the development of the Project are listed below: - use of open cut mining equipment to extract ROM coal at a maximum rate of 10 Mtpa; - construction and operation of mine infrastructure areas, including ROM pads, workshops, offices, an on-site CHPP and rail load out facility; - construction and operation of a Project rail loop and rail spur (including associated local road level crossings) to connect the Project to the Maules Creek Coal Mine and Boggabri Coal Mine rail spur and the Werris Creek Mungindi Railway; - on-site excavation and production of waste rock and gravel construction fill materials for use in Project rail spur and road construction; - construction of 66 (kilovolt) kV/11 kV electricity substations and 66 kV powerline to supply mine infrastructure areas; - construction and operation of ancillary infrastructure in support of mining including, haul roads, electricity supply, consumable storage areas, light vehicle roads and access tracks; - construction and use of water supply bores associated pump and pipeline systems; - construction and use of dams, sediment basins, up-catchment diversions, channels, dewatering bores and other water management infrastructure required to operate the Project and; - construction and use of other associated minor infrastructure and plant and other minor activities

Completion date: 01 Jul 2026

Key goods and services

Indicative list of key goods and services to be acquired for the project:

Key goods and services	Opportunities for Australian entities*	Opportunities for non-Australian entities	Explanation for no opportunities for Australian entities
Mobile Diesel Equipment	Yes	Yes	
Coal Handling Process Plant Equipment	Yes	Yes	
Mining Equipment	Yes	Yes	
Office Supplies	Yes	No	
Water Infrastructure Equipment	Yes	Yes	
Concrete Culverts	Yes	Yes	
Rail, Concrete Sleepers and associated rail equipment	Yes	Yes	
Pre-fab administration, workshops & warehouses buildings	Yes	Yes	
High voltage 66kv & 11kv cabling	Yes	Yes	
Diesel	Yes	No	
Quarry materials	Yes	No	
Temporary Accommodation Services	Yes	No	
Engineering & Design Services	Yes	Yes	
Project Management Services	Yes	Yes	
Civil Engineering & Design Services	Yes	Yes	
Building Engineering & Design Services	Yes	Yes	
Geotechnical & Earthworks Design Services	Yes	Yes	
Mechanical & Electrical Engineering & Design Services	Yes	Yes	
Piping and Instrumentation Engineering & Design Services	Yes	Yes	
High Voltage Installation Services	Yes	Yes	
Exploration Drilling	Yes	No	
Environmental Services	Yes	No	

* An Australian entity is an entity with an ABN or ACN

Project standards:

- Australian
- International

Supplier information and communication

Project proponent's contact person for supplier enquiries:

Contact person name Mark Stevens
Contact person position Executive General Manager - Project Delivery
Phone number 0400041364
E-mail mstevens@whitehavencoal.com.au

Project proponent website: <https://whitehavencoal.com.au/our-business/our-assets/vickery-extension-project/>

Project opportunities website: <https://whitehavencoal.com.au/our-business/our-assets/vickery-extension-project/>

Supplier engagement and communication actions :

- Promote project opportunities through industry associations
- Engage with vendor identification agencies on project opportunities and bid processes
- Conduct supplier information briefings on project opportunities and bid processes
- Issue media releases or ASX announcements on project developments and opportunities
- Develop and distribute a supplier information guide for the project

Building Australian industry capability

Supplier capability development actions:

- Recommend suppliers undertake training and/or accreditation
- Encourage joint ventures and alliances between suppliers
- Other

Global supply chain integration actions:

- Introduce suppliers to global supply chain partners
- Provide references for high performing suppliers

Feedback process for unsuccessful bidders:

WHC will offer feedback to unsuccessful Australian bidders. The feedback undertaking will be developed during the preparation of the procurement and contract strategy and will cover off on either face to face or a phone call debriefs for major contracts and emails for minor contracts and will explain how the supplier performed against each of the selection criteria for that particular package as each package will have slightly different pre-qualification criteria. Note: the procurement and contract strategy has not been finalised and the final outcome may vary slightly.

Australian Industry Participation Plan Summary - Operations Phase

Nominated facility operator: Vickery Coal Pty Limited

Facility details

Name: Vickery Extension Project

Location: 25km's north of Gunnedah

Type: Mine or quarry

Key goods and services

Indicative list of key goods and services to be acquired for the new facility:

Key goods and services	Opportunities for Australian entities*	Opportunities for non-Australian entities	Explanation for no opportunities for Australian entities
Explosives	Yes	Yes	
Spare parts for Mining & CHPP equipment	Yes	Yes	
Fuel & Lubricants	Yes	Yes	
Operational Consumables	Yes	Yes	
Chemicals & Industrial Gases	Yes	Yes	
Exploration Drilling	Yes	No	
Waste Management	Yes	Yes	
Surveying	Yes	Yes	
Environmental Services	Yes	Yes	
Major Rotating, Processing Equipment	Yes	Yes	
Repairs & Servicing	Yes	Yes	
Temporary Camp Accommodation	Yes	Yes	
Laboratory Analysis	Yes	Yes	
Freight, Logistics & Distribution	Yes	Yes	
Cranes and Mobile Equipment Hire	Yes	Yes
