

National Standards Commission

Withdrawal Certificate for Approval No S294

Issued under Regulation 9
of the
National Measurement (Patterns of Measuring Instruments) Regulations

This is to certify that the approval for use for trade granted in respect of the

Analogic Model ITG3030 Digital Indicator

submitted by Kenelec Pty Ltd
now of 2 Apollo Court
 Blackburn VIC 3130

has been withdrawn.

The approval was granted by means of Interim Supplementary Certificate No S294 issued 9/11/92; no final Certificate was ever issued.

Any instrument purporting to comply with NSC approval No S294 must now be removed from use for trade.

Signed and sealed by a person authorised under Regulation 9 of the National Measurement (Patterns of Measuring Instruments) Regulations to exercise the powers and functions of the Commission under this Regulation.
